

# What is a CMC?

## THE INSTITUTE OF MANAGEMENT CONSULTANTS OF INDIA

When you see the initials **CMC** following a consultant's name, it means that he or she is a **Certified Management Consultant** and has met strict certification requirements of the Institute of Management Consultants in his or her country. The initials mean the consultant has met world class standards of competence, ethics and independence, and is eligible for reciprocity between ICMCI member institutes in 50 countries.

### **CMC = mark of excellence**

In selecting management consultants, clients are well advised to seek individuals who meet the profession's own standards of competence, ethics, and independence. Institute certification is a valuable aid in this quest. It is the mark of excellence among management consultants.
